Here they come for 1958
THE NEW
Triumph
LINE

featuring
the new concept in motorcycle design!
New Colors! Sparkling Chrome!

plus a host of design advances highlight the new '58 Triumph range of OHV motorcycles

TROPHYBIRD ROAD SPORTS TR-6/A
For the sportsman who demands top performance on or off the road. Features chrome plated detachable headlamp. Has rubber mounted tachometer, speedometer. Quickly detachable head-lamp and D.C. lighting set. Trophy-type rear and light alloy front fenders. In exciting two-tone Ivory and Aztec Red with black frame.

TIGER SUPER SPORTS T-110
The top road performer in America today. Features the Triumph streamlined nacelle-instrument panel and deep fenders. In startling two-tone Jet Black over Ivory with black frame.

New Features!

- Full width hub front brake on all twins
- New deeper fenders
- Improved clutch design for longer life
- Adjustable "while-in-motion" brake and clutch cables
- New oil seals for cleanliness

All '58 Triumph 500 and 650 c.c. models feature the amazing, new "slick-shift" Auto-clutch. Footchange lever disengages clutch either up or down, allows gears to change without operating handlebar lever. However, clutch lever can still be operated in usual manner, as it overrides the automatic mechanism.
**THUNDERBIRD 6-T**
Here's the famous full-powered standard road machine that offers most for most riders at the best possible value for money. Has streamlined nacelle-instrument panel. Offers great reliability, silence and ease of starting. In long-wearing Aztec Red with black frame.

**TROPHYBIRD SCRAMBLER TR-6/B**
For the Club competitor and off-the-road rider. Has cross-over upswept exhaust pipes, sports tires. Two-tone Ivory and Aztec Red.

---

**New Design!**
**THE STREAMLINED TWENTY-ONE**

Here's the newest addition to the family of Triumphs. Has a wonderful new Triumph engine of 21 cu. in. 350 c.c. Representing over 50 years of design leadership by Triumph, it gives turbine-like smoothness, extreme ease of starting, silent performance.

Enclosed streamlined rear sets new standard of cleanliness for both rider and passenger. Full width hub front brake, swinging arm hydraulic suspension — 100 new features. In Azure Blue with black frame.

---

**TIGER CUB ROAD SPORTS T-20/C-A**
Four-cycle high-efficiency lightweight for the sportsman. Trophy-type fenders, rubber front fork covers, side stand, dual primary chain and improved clutch. Tiger Cub Competition T-20/C Similar to the T-20/C-A but with upswept exhaust pipe and Trophy-type muffler, sports tires.

**TIGER CUB STANDARD ROAD T-20**
Four-cycle OHV single for general use. Has low seating position, easy starting. Very reliable and economical. Has many improvements for '58. All Cub models in Aztec Red with black frame. Tiger Cub Junior T-20/3 Special Tiger Cub model for the beginner or young rider. Certified to produce less than 5 BHP.

---

**New Performance!**
and Fastest
**THE WORLD'S BEST MOTORCYCLE**

The new '58 Tiger Cub models are equipped with a new ¾" Duplex primary chain and cast clutch housing for extra-smooth transmission characteristics, longer chain life and better clutch operation. Includes new inner and outer primary covers and final drive sprockets.
Triumph's famous 30.5 cu. in. (500 c.c.) motorcycles

FOR RIDERS WHO WANT THE SMALLER CAPACITY ENGINE

SPEED TWIN 5-T
This ultra-reliable economy model offers extreme ease of starting and very quiet operation. For the rider who wants economy and comfort above all else. In Continental Red with black frame.

TIGER T-100

TROPHY SCRAMBLER TR-5/B

A head lug is provided on all '58 models to accommodate theft-proof lock. When key is turned, body of lock remains in position, key is withdrawn. Both key and lock are standard equipment.

Sign of the times!
